I almost instantly removed my connection with Isabella Ziegelaar because she was activating the past-by TCLRP website which I have abandoned in favour TCLP-UK now, so back I am where I started.

I was hoping against hope that Kamala Harris did not win and was rooting in my mind for Donald Trump and it happened. The first person to win through to the White House in non-consecutive terms.

(Correction: The only other president to win a non-consecutive term was Grover Cleveland in 1892.)

MAKING IT UP AS ONE GOES ALONG

in Questions & Answers

<https://www.knowledgeassessmentanddissemination.com/forum/questions-answers/making-it-up-as-one-goes-along>

MAKING IT UP AS ONE GOES ALONG

Words are just words that we have inherited from past generations of human beings. They are open to different interpretations as suits a particular *raison d'être*. When one is living in the freedom of satya-advaita yoga, one necessarily makes up new words as one goes along or adapt old words to meet a particular requirement of what one is trying to express. It is in this context that my books are to be read and the readers have to form their own opinions on whether I have been crystal clear on what I have thought about relating to my experiences of life over the past 24 years. I am of course open to providing any clarifications needed on the basis of my actions at any particular point in time and how I have expressed those in the 13 Books that I have written in the Series under the theme, 'The Allurement of Reality'. But I hope that now such clarifications would be necessary or me be called upon to answer. I wish to let my books do the talking. This is because I am not a very good speaker in public, and even in the creation of Videos that I attempted over the past year to develop my websites. I am good at writing. For I allow truth to just flow into my mind at the appropriate time and this creates the works that I have been producing.

So in what context am I using the words Samadhi and Mahasamadhi. I wish to make it clear at this point in time. For me Samadhi started on completion of my Book Truth-accommodation (Satya-advaita) and I started writing the book 'Post-realisation Musings'. They were semi-conscious assessment of the knowledge that I had gained and the missing data that I needed to be searched for still in order for me to arrive at a comprehension on the Conception of Reality, the first book under the theme 'The Allurement of Reality' that I had started writing in 2004 when I came out of the mental hospital for the first time. It grew and grew into what it is today. I had tried to consider numerous times during these years that I had had total Realisation, even my elder sister in India had pointed to this in one of her utterances to me, but it turned out not to be the case. When can Realisation be complete when one does not what there is to Realise. It had to be awaited with patience. And I formulated a plan of self-discovery to try and get to it. This was to have a framework where I hypothesised that everything in the universe is pre-ordained and pre-orchestrated, so there was God having set the universe in motion in a particular manner; the best bhakti that I could approach God with was to discover my own fate within the Grand Design, and this was latterly over the past 15 months or so done through losing all attachments, and acting nonchalantly, spontaneously and unpremeditatedly in all my moment by moment actions as the only karma that I would engage in that could with certainty be then described as sanatana dharma, that is to say karma in sanatana dharma.

When I seemed to be surviving the persecution that was vitriolic against me in conducting myself in this manner I was picking up evidence of Dharma Rakshati Rakshita as being the eternal law of the universe, and this has not changed at the moment that I am writing this account at 10.37 am on the 12 of October 2021.

Hello Melissa

I am very pleased that you have selected me for interactions and the search for common ground. You should be aware that I am the Leader of a new political party in the United Kingdom named The Conservative Libertarian Party of the United Kingdom or TCLP-UK.

Unfortunately, people and institutions have placed tremendous obstacles in the path of TCLP-UK to stop it gaining prominence in national democratic processes as you will find from reading this: <https://www.thelibertariandemocrats.com/forum/diary-of-the-author/6-november-2024-11-33-pm-uk-time>.

I am seeking support from you to become an official member of The Conservative Libertarian Society and its offshoot TCLP-UK at the following website?: <https://app.joinit.com/o/vishista-advaita-sampradaya-tclstclp-uk>

Hope to get your preliminary views and possibly a positive response.

If you do decide to join up, all you would need to do is to provide me with your email address and I can simply add you to the website without much ado.

Sincerely

Shantanu

At 5.52 pm the Mobile Phone rang from a Spam caller dialling from 020 3475 1081.

At 18.02 pm I deleted the post 'Gangsters': OPPOSITION GANG UP from the Diary of the Author Libertarian Democracy, since nothing came from Melissa and it was back as a source of great problems for me to have it in open forum, for there is no 'evidence' that they were all acting in concert as gangsters of the Monarchical Establishment, such is the secrecy of its State-operations. The Court if convened will have to decide that and Medway County Court was sent the document, 'The Banking System and its Regulation' to consider, as well as having the full version published in The Allurement of Reality in Review for nearly 6 hours.

Removed both connections as traps being set for me that will dislodge the legal proceedings at Medway County Court/Central London County Court or some criminal court that is being lined up for me to be summoned to, when I have actually assessed the reality perfectly. Out of 30 invitations sent to LinkedIn Members and others in 2 days not one of the LinkedIn Members responded. Even Emeka Ikeneuba has disappeared from the scene after agreeing to be part of the Team of TCLP-UK. If the Medway County Court's District Judge does not respond I have the Party working and a Petition submitted for a Written Constitution for the United Kingdom which cannot be dislodged now.

Hello Daneswari

The reason I was asking you about your residential status in the United Kingdom even on a Work Visa is that you may be entitled to vote in elections and be able to undertake activities without restrictions.

If you do qualify for signing Petitions to the House of Commons, please consider signing this important one that I initiated that I have attached: FrPetitionsCommitteeHOC(Action required on Petition for a Written Constitution in the United Kingdom)4Nov2024.docx. The United Kingdom does not have a Constitution so no one knows the laws and details of the responsibilities of different institutions, and the rights of the citizens continuously. A written Constitution is needed so that people are fully informed and do not end up spending time and money on foolish things.

My petition:

Develop an official written Constitution in the United Kingdom for governance.

An unwritten Constitution foisted upon the people is wrong morally. A written Constitution is needed that outlines the relationships between the Head of State and Parliament at both Houses and in terms of their inter-connections with the Security Services, Judicial and other State institutions.

Unwritten Constitution makes a Monarchical Establishment to become secretly dictatorial and tyrannical to selected individuals and groups. With a written constitution people are fully informed on what to expect from the State and what is expected of them to the State. With a written Constitution people will be fully informed on who is in charge of procedures in Parliament, Mental Health Institutions, Security Services; and who a citizen can successfully prosecute in civil and criminal courts.

Terms and Conditions

By participating in PayPal's "Invite Friends" offer (the "Programme"), you agree to the following terms and conditions ("Terms"). Under these Terms, if you are the person inviting people to join PayPal you are a "referrer", and if you are a person who receives such invitation, you are a "referee."

1. Offer Period. The Programme starts at 12:00:00 a.m. British Summer Time on 05 July 2024 and ends at 11:59:59 p.m. Greenwich Mean Time on 31 December 2024 the ("Offer Period").

2. Redemption Period: Rewards should be visible in the "Offers" section of your Valid Account (defined below) within approximately 14 days (fourteen) but may be available sooner. The Reward will expire on 31 March 2025 ("Redemption Period").

3. Eligibility and overview. To be an eligible participant (an "Eligible Participant"), each participant must: (1) be eighteen (18) years of age or older; (2) be a resident in the United Kingdom; (3) have a United Kingdom personal PayPal account in good standing (a "Valid Account") during the Offer Period and Redemption Period; and (4) receive an authorised invitation to participate in the Programme (eligibility for/those who receive such invitation will be determined solely by PayPal). The Programme is limited to participants who successfully claim the Reward (as defined below) on a first-come, first-served basis. For the purposes of this paragraph, "good standing" shall mean the Eligible Participant is not in breach of the Terms and the User Agreement, and will continue to comply with the Terms and the User Agreement for the duration of the Programme.

4. How it works. A referrer may refer a referee via the referral mechanism in the PayPal app or on PayPal.com. The referrer can claim a maximum Reward of £100.00 GBP (one hundred pounds) for a maximum of 10 (ten) referees during the Offer Period that satisfy the following "Reward Criteria": referees must (i) access and complete the PayPal sign up process; (ii) link their bank, credit card or debit card to their PayPal account; (iii) verify their mobile number linked to their PayPal account; and (iv) complete an Eligible Transaction within the first 30 days of completing the PayPal sign up process (defined below).

5. **Eligible Transaction.** An “Eligible Transaction” means: (a) an online PayPal checkout payment of £5.00 GBP (five pounds) or more using the referee’s new PayPal account that is marked as “complete” in the referee’s Valid Account; or (b) a person-to-person payment of £5.00 GBP (five pounds) or more using the “Send Money” feature in their PayPal account (sent to anyone other than the referrer) using the referee’s new PayPal account that is marked as “received” by the recipient. Transactions that have been cancelled, refunded, or reversed by either the referee, referrer, or the seller do not count as Eligible Transactions.

6. **Reward.** The reward amount is £10.00 GBP (ten pounds) (the “Reward”). Once the steps described above are completed and verified, the Reward will be made available in the Eligible Participant’s Valid Account within approximately 14 (fourteen) days of the referee satisfying the Reward Criteria. Eligible Participants will also receive an email informing them when the Reward is available in their Valid Account. During the Offer Period, there is a limit of 1 (one) Reward per referee Valid Account and 10 (ten) Rewards per referrer Valid Account. If two or more referrers invite the same referee, PayPal will credit the Reward to the person who sent the first referral invitation, as determined in PayPal’s sole discretion. The Reward does not constitute electronic money, is not deemed part of your PayPal balance, has no cash value and cannot be redeemed for cash, used to purchase gift cards or transferred out of the Eligible Participant’s Valid Account. The Reward is separate and different to PayPal balance. Should the total purchase amount exceed the Reward value, then you must add a payment method to your Valid Account in order to fund any remaining balance and redeem the Reward.

7. **Referrals.** You must only refer family and personal friends and acquaintances to the Programme and must obtain their prior consent before sending the referral. You must not publish or distribute the invitation to participate in the Programme that you received from PayPal in public locations (online or otherwise) where the audience is likely to include people who are not your family or personal friends/acquaintances. You may not refer yourself to the Programme. If you do so, PayPal may disqualify you from participation in the Programme and any successful referrals will be void, in PayPal’s reasonable discretion.

8. **Receiving and using Rewards.** A Valid Account must remain in good standing from the time of participation through Reward fulfilment, as reasonably determined in PayPal’s reasonable discretion. Subject to giving reasonable notice to the relevant Eligible Participant where possible, PayPal may provide an alternate Reward of equal value if it is unable for any reason to fulfil the Reward. PayPal reserves the right to limit, cancel, suspend or modify this Programme in part or in its entirety at any time. If we do so, we will provide you with reasonable notice. PayPal reserves the right to review any account or transaction related to this Programme, for any reasonable cause and upon such notice as is reasonable under the circumstances without notice, and delay completion of the Reward. Before delaying or cancelling the Reward, PayPal will give the Eligible Participant reasonable prior notice, where possible and practicable, and the possibility to object to the decision. If item(s) purchased using a Reward are returned and the Reward has expired, PayPal will first refund the money spent to the payment method used to complete the Eligible Reward Purchase and purchase amount in excess of the money spent (i.e. the value of the Reward) will not be refunded. If the Reward Redemption Period has not expired, the value of the Reward will be returned to the Offers section of the Valid Account and will be available for use by the Eligible Participant up until the Reward Redemption Period. Similar offers may run at the same time; qualification for this Programme does not constitute qualification for any other offer. PayPal is not responsible and/or liable if any e-mail, Reward, purchase, referral or Programme-related materials or correspondence are lost, fraudulent, stolen, late, incomplete, illegible, interrupted, delayed, altered, defective, misdirected, tampered with, or irregular in any way or if any Eligible Participant’s e-mail address, Valid

Account, or other contact information does not work, is deleted, or is changed without participant giving prior written notice to PayPal. The Programme is void where prohibited or if the Eligible Participant's account or transactions are fraudulent, abusive, not completed through legitimate channels, or irregular in any way. Certain offers may not be transferable. Participants may and obtain access to a copy of the PayPal's privacy policy available [here](#) or contacting PayPal if they have questions or requests about the exercise of their rights, privacy and data protection. Any questions relating to the offer will be resolved in PayPal's reasonable discretion and its decisions related to the offer will be final and binding.

9. Governing law and jurisdiction. These Terms are governed by England and Wales law. By participating in the Programme, entrants agree to be bound by these Terms and the User Agreement. The courts of England shall have non-exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these Terms and Conditions. This does not limit your rights under mandatory statutory consumer protection regulations and for you to bring proceedings before the courts of the place where you are domiciled.

10. Promoter. Marketing services are provided by PayPal Pte Ltd, a company incorporated in Singapore, with registered number 200509725E and registered address at 5 Temasek Boulevard, #09-01, Suntec Tower Five, Singapore 038985. Rewards are issued by PayPal UK Ltd, a company authorised and regulated by the Financial Conduct Authority (FCA) as an electronic money institution under the Electronic Money Regulations 2011 for the issuance of electronic money (firm reference number 994790), in relation to its regulated consumer credit activities under the Financial Services and Markets Act 2000 (firm reference number 996405) and for the provision of Cryptocurrency services under the Money Laundering, Terrorist Financing and Transfer of Funds (Information on the Payer) Regulations 2017 (firm reference number 1000741). Establishing one's Rights
 in General Discussion

What are rights?- Freedom is a right: any form of regulation is an infringement on that right. The freedom to be who we are naturally endowed to be, genetically. A libertarian. A Conservative Libertarian ensures that everyone's freedoms are assured, including that of birds, bees, flowers, trees, seas, oceans and soils. We touch nothing unnecessarily.

Rights have to be ascertained within the Constitution of the State that one lives in through proactive determination of what the provisions are. No consultation with a lawyer will be fruitful in this regard. With the truth-path as one's guide, one needs to explore what one can get away with as possession is nine-tenths of the law.

Level Up Through Learning

Looking to learn something new? The Internet Archive offers hundreds of free courses from MIT OpenCourseWare, perfect for educators looking to enhance their coursework or for anyone with a curiosity to learn.

One noteworthy course is MIT's "Creating Video Games" from Fall 2014. This course teaches creative design and production methods to help participants design, develop, and thoroughly test their own original digital games.

The course features interviews with professors and students, lectures from the class, and case study presentations of student projects completed throughout the term. It provides valuable insights for both novice game developers and anyone interested in the game creation process.

As you parse through the 44 different videos within the course, you'll learn about key aspects that can arise during game development such as problem statements, game concepts, audience identification, and the challenges— all shared by students and faculty throughout the term.

Happy learning!

Level Up Through Learning

Looking to learn something new? The Internet Archive offers hundreds of free courses from MIT OpenCourseWare, perfect for educators looking to enhance their coursework or for anyone with a curiosity to learn.

One noteworthy course is MIT's "Creating Video Games" from Fall 2014. This course teaches creative design and production methods to help participants design, develop, and thoroughly test their own original digital games.

The course features interviews with professors and students, lectures from the class, and case study presentations of student projects completed throughout the term. It provides valuable insights for both novice game developers and anyone interested in the game creation process. As you parse through the 44 different videos within the course, you'll learn about key aspects that can arise during game development such as problem statements, game concepts, audience identification, and the challenges— all shared by students and faculty throughout the term.

Happy learning!

You know I have heard from someone that the only people who do private messaging in LinkedIn are those who want something from the other person. You will be relieved to know that I do not wish to have anything specific from you except to debate matters relevant to the country that I live in which is the United Kingdom.

Update and Comments:

There was no response from LinkedIn connections: withdrew the remaining ~50 invitations that I had sent out to connect with but which had not been accepted.

No emails have come in Gmail and Yahoo Accounts. This means that out of nearly 40 odd invitations to potential supporters of the Petition, only 2 supporters have signed, Andrew Brown who was the only one who signed the Petition last June and now Christopher Wood who I assume reluctantly signed it as family friend.

The Courts are therefore also paralysed because they would have to consider the petition submitted to the House of Commons Petition Committee, which Absolute Barrister and a solicitor Kamran Hussein/Monneka Tahir of Whiterose Blackmans were asked to consider on my behalf.

There is also the email that I received from the Corporate Complaints Team at the Solicitors Regulation Authority considering its reply to me by tomorrow, as follows:
